Chapter Min. GPA to join (on 4.00 scale):

Only full time (12 credit hours or more), matriculated, undergraduate students with a minimum of a 2.25 cumulative GPA at the Rochester Institute of Technology are eligible to become New/Associate Members. First semester students (i.e. – freshmen) are eligible to become new/associate members as long as a copy of their high school transcripts (unofficial or official) has been given to the FSL to verify that they meet the minimum high school GPA of 2.30.I understand to join a Fraternity or Sorority at RIT I need to have cumulative grade point average in accordance with that chapter’s constitution and bylaws requirements. By signing below, I authorize the Office of Fraternity & Sorority Life to check and release my grade point average to the recruitment chair, president and/or the adviser(s) of the organization named above.

Table with 6 columns: Full Name (PRINT ONLY), RIT UID #, RIT DCE, Signature, # of Credits, GPA (FSL Only). The table contains 15 empty rows for student entries.
